A.Graham, Esq.
Secretary,
Hempstead Village Society,
Anvil Rise,
Hempstead,
Essex.

Dear Mr.Graham,

The Parish Council have asked me to write to you for an up-to-date report on the development of the Village Pond.

At the Annual Assembly Mr.Slee notified the Parish that the work was almost completed and the finishing stages well in hand, but since then little progress seems to have been made. The Council have received a number of enquiries and complaints about the Pond site and are becoming rather anxious that the Pond should be finished in the near future.

We appreciate Mr.Slee is at present in hospital, but nevertheless hope that you can reassure the Council that the Pond will be completed before much longer.

Yours sincerely,

Margaret Grimster
Clerk to Hempstead Parish
Council.

I enclose a copy of
the infamous letter from
the Parish Council.

May I have your comments (!)
or shall we all meet to
discuss it?

I have also sent copies
to Stan Slee and Vera Ryeart.
